“ IYM for me is an opportunity to bring hearts together in the world. ”
Shaked, Israel

“ IYM Dachau, for me, is a place where I am finding my hope for the future, where I get inspired, surprised and challenged. Every year I come back, this place gives me a purpose and makes me see the value of connecting with other people. Even though we're all so different, IYM brings us so close together, that's what IYM Dachau means to me. ”
Karla, Germany
